

The 70 Years Declaration

Defending Truth in History

Call for Tax Deductible Donations

The Seventy Years Declaration on the Anniversary of the Final Solution Wannsee Conference, signed by 70 European Union parliamentarians, aims to protect history from revisionist attempts to equate the Nazi genocide with Stalinist crimes against humanity, by:

- *Recognising* the unique dimensions of Nazism and the Holocaust
- *Denouncing* the glorification of Nazi and collaborationist nationalist war criminals
- *Opposing* attempts to inflate the definition of "genocide" to encompass sundry crimes of totalitarian regimes
- *Defending* those who fought against and resisted the Nazis from vilification and defamation
- *Advocating* for ongoing genuine Holocaust education and memorialisation across Europe

Please help us combat the rewriting of Holocaust history

I would like to support the Seventy Years Declaration campaign.

(Please note that the minimum donation is \$50 but all donations are tax deductible).
